**Heard Natural Science Museum & Wildlife Sanctuary's
Fall Native Plant Sale
October 9-11**

Make your yard beautiful this fall. Pick from natives, other well-adapted plants, and a few popular oddities. Find new agaves and varieties of colorful grasses, the usual and unusual perennials, as well as hard-to-find plants like Eve's Necklace and Sawtooth Sunflower.

The Fall Native Plant Sale will be open to the public on Saturday, October 10 from 9-5 and Sunday, October 11 from 1-5. A special pre-sale will be open to museum members only on Friday, October 9 from 4-7. Members must show their membership card. Memberships will be available to purchase at the time of the sale, or you can join the museum today at www.heardmuseum.org.

Plants are subject to change.
