Celebrate the Holidays with Dinosaurs, Final Weeks!

During the holidays it may be difficult to find something fun and affordable to do with the *whole* family, but there is a solution! Get exercise with your family and experience the excitement of *Dinosaurs Alive! Life-size Animatronic Dinosaurs at the Heard* featuring 12 dinosaurs. Tickets are only general admission prices at \$8 for adults and \$5 for kids 3-12. Visitors will also have the opportunity to see the *Animals of the World* exhibit, the Heard’s Living Lab and other indoor exhibits at no extra cost.

“Holidays at the Heard” & Artisan’s Market, Saturday, December 6th from 11-3

“Holidays at the Heard” & Artisan’s Market is a fun family holiday outing scheduled for December 6th from 11-3. Families and children can take photos with Father Christmas and Mother Nature, tour the Heard *Dinosaurs Alive!* exhibit, enjoy complimentary refreshments, and parents can also make a free holiday craft with their children. In addition, the Artisan’s Market provides the perfect opportunity to get a head start on your holiday shopping. Artisans Market will present their hand-crafted items, which either utilize some of nature’s resources or depict nature. This event will provide a great resource for unique decorations and thoughtful gifts. Enjoy this special holiday event as well as the opportunity to tour the museum and *Dinosaurs Alive!* exhibits for the museum’s general admission prices.

Need any more holiday gift ideas? Tickets to the dinosaur exhibit could also be a fun, affordable present for family, friends or that special someone! General admission tickets may be purchased at the museum or online at www.heardmuseum.org.
