## Self-Guided Nature Trails

- Cedar Brake Trail  
A 0.6 mile primitive trail, passes through a cedar grove, mostly shaded (2.5 miles round trip from the main building)
- Wood Duck Trail  
A 0.9 mile easy trail, boardwalk and overland, with the best view of the wetlands, partly shaded (1.9 miles round trip from the main building)
- Bluestem Trail  
A 0.5 mile (or 1 mile round trip) easy trail with the best view of the prairie, partly shaded
- Laughlin Loop Trail  
A 0.5 mile easy trail, jogging stroller friendly, partly shaded
- Sycamore Trail  
A 0.8 mile easy to moderate primitive trail with deep shade and large, old trees, nearly completely shaded (1.1 miles round trip from the main building)
- Hoot Owl Trail  
A 0.5 mile easy to moderate trail, a nice combination of hilly upland and bottomland terrain, mostly shaded

Main Entrance
